

## Reading Response 3

### Focus: Setting

The setting is where the story takes place.

### Assignment

\*Draw a picture of the setting in your story and write a 3-5 sentence paragraph that describe it using details from the story and your own ideas.

### Example of a complete response:

Title: The Waterfall

Author: Jonathon London

Date: September 2, 2008

The setting in The Waterfall is a creek in a canyon during the summertime. There were rivers filled with slippery boulders and a huge waterfall that was higher than the tallest pines. The cliffs had thin ledges just wide enough for toes to climb.
