Dear Jane,

I am reading the book Harry Potter and the Sorcerers Stone by J.K. Rowling and I really think it is a book that you might like to read. I know that you really enjoyed reading the book Spiderwick, so I thought you would enjoy Harry Potter too. Harry Potter and the Sorcerers Stone is a book about a boy who finds out he is a wizard and goes to a school of magic to learn how to cast spells and fly on a broom. I hope you will check this book out.

Sincerely,

John Readsalot
